

Let SCORE Help You **BUILD • GROW • THRIVE**

Experience You Can't Buy – It's Free

Would you like to talk with someone who has faced the same type of business problems you have and has solved them? That's what SCORE is all about: Business mentoring from leaders who volunteer their time to help businesses like yours succeed. Business leaders who are committed to helping you make your business more successful.

The Southeastern Massachusetts chapter of SCORE business mentoring team, a volunteer association in partnership with the U.S. Small Business Administration, offers free and confidential business counseling to both start-up and existing businesses.

- Need to tune your marketing?
- Want to improve cash management or profits?
- Want to get the most out of online and Web based marketing?
- Expanding your business?
- Buying or selling a business?

At SCORE Southeastern Massachusetts (SEMA), we help small businesses succeed! Speak with someone who has started and grown their own business.
